

**Curriculum Vitae**  
**José Miguel Martín-Martínez**

**Academic background**

Full Professor at the University of Alicante (Spain).

Head of the Adhesion and Adhesives Laboratory at the University of Alicante (Spain)

Fields of expertise : Adhesion; polyurethane adhesives, sealants and coatings; nanocomposites; inorganic-organic hybrid materials; synthesis, formulation and characterization of hot melts, reactive and liquid adhesives; bioadhesives; polymer/adhesive interfaces; filler-polymer interactions; thermoset coatings; smart materials; self-healing.

Advisor of 125 Research projects, 36 PhD thesis and 54 Master degrees.

Publications : 56 books and book chapters, 217 indexed papers, 77 non-indexed papers, 325 abstracts at international conferences, and 16 patents.

**Achievements**

Member of the International Advisory Editorial Board of "International Journal of Adhesion and Adhesives". July 1992-date.

Editor-in-Chief of the Journal of Adhesion Science and Technology. January 2013-date

Associate editor of "Rubber Chemistry and Technology". January, 2010-date.

Robert L. Patrick Fellowship awarded by the American Adhesion Society. 2013.

President of the American PSA division of the Adhesion Society (2008-2009).

Member of the Steering Committee of EURADH (European Adhesion Society) (2010-date).

President of the Spanish Adhesion Society (2010-date).

National Expert. European Commission. Directorate GIII. 2005-2006.
