

CURRICULUM VITAE

I- Civil Status

Name : Mohammed RAHMANI

Office Address

Institut Agronomique et Vétérinaire
Hassan II
Dept. of Food Science & Nutrition
B.P. 6202. Rabat-Instituts, Morocco

Tel : 212. (0) 6 43 04 32 84

e.mail : **m.rahmani @ iav. ac. ma**
rahmanimohammed@yahoo.fr

Birth date : November 15, 1955

Birth place : Oujda, Morocco

Citizenship : Moroccan

Marital status : Married, three children.

Home Address

70, Rue Assamarmar
Dakhla 4, Guich des Oudayas,
Rabat, Morocco
Tel. 212-5 37 56 19 11

II- Education

- July, 1979 : Agronomist Engineer, specializing in Food Science and Technology (I.A.V. Hassan II, Rabat).

- April, 1987 : Doctorate es-Sciences Agronomiques (Food Chemistry) (IAV. Hassan II).

- July, 1987 : Ph. D. in "Food Science", University of Minnesota. U.S.A.

III- I.A.V. Hassan II appointments

1979 - Assistant Professor

1987 – Associate Professor

1991 – Professor, level "A"

1997- Professor, level "B"

2003 to date- Professor, level "C"

- Head of the "Food Chemistry and Biochemistry" department (1987-1990).

- Coordinator of the Food Technology, Human Nutrition and Food Economics Section (1991-1992).

IV- Present duties

As Food chemist and Technologist, I teach the following courses:

- Biochemistry I (Chemistry of biological compounds) (40 hrs)
- Biochemistry II (Metabolism of energy-yielding compounds) (30 hrs).
- Processing of food oils and fats (30 hrs).
- Food dispersions (20 hrs).

Besides these teaching activities, I conduct research and provide service to the public in the form of advice and consultation. Current research is in the areas of canning (vegetables and fruits), traceability of foods, fortification of food oils, and the quality control of foods.

V- Publications and communications

1- Scientific articles

About forty publications in international journals, dealing with olive oils, table olives, local foods, fortification of food oils, traceability and assurance quality of foods and agricultural products.

2- Scientific manuals

- 1- (Good manufacturing practices of olive oil)
IAV. Hassan II, Rabat, 36p., 1996.
- 2- (Good manufacturing practices of table olives)
IAV. Hassan II, Rabat, 50p., 1996.
- 3- Collaborating author for the chapter dealing with the « Technology of production and conservation of olive oil » in the : Mondial Encyclopedy of Olive Tree, edited by the International Olive Oil Council (Madrid), 1997, pp. 253-294.

3-Communications

More than 100 communications were given in national and international seminars.

VI- Society memberships

- American Oil Chemists' Society (AOCS).
- Moroccan Association of Argan Friends (AAA).
- Moroccan Association of Food Engineers (AMIIAA).
- Moroccan Society of Nutrition (SMN).
- Association against Drought and Desertification in Morocco (ALCESDAM).

VII- Langage skills

I speak, read and write Arabic, French and English.
